---

Age Management Skin Care System

GlyMed Plus Age Management Skin Care System addresses the individual challenges of chronologically injured, photo-aged, and environmentally damaged skin. This system is a complete line of products that gently cleanse, actively treat, restore balance, and protect all skin types for cellular rehabilitation.

**Description**

A clinically proven, anti-aging eye cream with peptide technology to produce superior hydration, plumping, and wrinkle reduction.

**This product is recommended for**

For those experiencing fine lines and wrinkles around the eyes.

**Directions**

Using your ring fingers apply a small amount of the Anti-Wrinkle Eye Cream around and under the eyes. Gently pat into the skin. Use morning and night for best results.

---

**Key Ingredients**

**Acetyl Hexapeptide-6:**

Amino acid peptide that works like a neuro peptide to reduce the intensity of facial expressions, lessening wrinkle depth.

**Ceramides 1, 2 & 3:**

Ceramides 1 & 3 are skin identical ceramides that improve intercellular lipids and play an important part in the regulation of skin water barrier homeostasis and water-holding capacity. Ceramide 2 plays a key role in increasing moisture levels by assisting the stratum corneum barrier function, preventing Trans Epidermal Water Loss (TEWL).
**INGREDIENTS:** Water (Aqua), Acetyl Hexapeptide 6, Caprylic/Capric Triglyceride, Cetearyl Glucoside, Glycerin, Stearate, Cetearyl Alcohol, Ceteareth-20, Dipalmitoyl Hydroxyproline, Ceramide 3, Ceramide 2, Ceramide 1, Phytosphingosine, Hydrolyzed Rice Protein, Glycine Soja (Soybean Protein), Serine, Proline, Spirulina Platensis (Algae) Extract, Butyrospermum Parkii (Shea Butter), Simmondsia Chinensis (Jojoba) Oil, Tetrahexyldecyl Ascorbate (Vitamin C), Xanthan Gum, Tocopherol (Vitamin E), Sodium Hyaluronate, Malva Sylvestris (Mallow) Extract, Mentha Piperita (Peppermint) Leaf Extract, Primula Veris (Primrose) Extract, Alchemilla Vulgaris (Lady’s Mantle) Extract, Veronica Officinalis (Speedwell) Extract, Melissa Officinalis (Balm) Leaf Extract, Achillea Millefolium (Yarrow) Extract, Caprylic Acid, Camellia Sinensis (Green Tea) Leaf Extract, Retinyl Palmitate (Vitamin A), Rosa Damascena (Rose) Oil, Olea Europaea (Olive) Polyphenols, Red Wine Polyphenols, Glycine, Potassium Sorbate

**Frequently Asked Questions**

**Will this help with dark circles and puffy eyes?**

Although this amazing eye cream will decrease puffiness via its firming properties, its main focus is to provide potent peptides and ceramides to reduce the appearance of fine lines and wrinkles.

**Can I apply this cream on my eyelids?**

This eye cream can be safely applied all the way around the delicate eye area. However, it is never recommended to apply any cosmetic preparations to the lower eye lid.
